

BATTERY FIRE SUPPRESSANT

BASIC USE INSTRUCTIONS

Battery Emitting Smoke or On Fire?

Batteries have the potential for explosions and projectiles. Only approach battery if deemed safe to do so.

The use of personal protective equipment is advised. Impact resistant goggles and high heat gloves are recommended.

Dispense CellBlockEX on battery at source of flame or smoke.

Completely cover battery with CellBlockEX and allow to extinguish. Do not move or uncover.

Always Follow Your Emergency Procedures
