

INSTALLATION

1x - Wall-mount Plate

2x - Sheet Rock Anchors

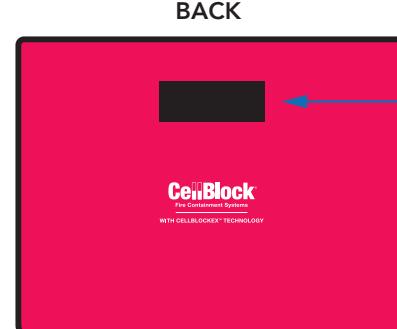

2x - Mounting Screws

The High Watt Hour EHS Kit is safety equipment. Install the wall-mount plate in a prominent spot at eye-level for quick access. Pre-drilling holes is recommended. Sheet rock anchors are provided if a solid wall support is not available.

Once the wall plate is installed, the High Watt Hour EHS Kit may be hung by sliding the mounting strap over the tongue of the wall-mount plate.
