## Full-featured Super-sized Battery Storage and Shipping

The premier solution for preventing and containing hazardous battery fires. The CellBlock 10078 SuperMax Case is capable of accommodating large-format batteries and offers the absolute maximum protection against lithium-ion thermal events with 360° fire suppression coverage for all of its contents.

Each case is double-lined with .125 inch steel and CellBlock's proprietary fire panels. The pressure relief system mitigates smoke and fumes and eliminates risk of explosion due to overpressurization.
